Yash Mathur

Front-End Developer • UI/UX Designer • AI Enthusiast

✉ yashmathur1425@gmail.com 📞 +91 8824141454 📍 Jaipur, India

SUMMARY

Creative and detail-oriented Computer Science Engineering student with a passion for front-end development and UI/UX design. Proficient in design tools and frameworks, with foundational experience in AI and machine learning. Known for crafting seamless, user-centric digital experiences that blend aesthetics and functionality.

SKILLS

Design & Prototyping: `Figma` `Adobe Premiere Pro` `Photoshop` `Spline` `Canva`

Web Development: `HTML` `CSS` `JavaScript` `Next.js` `Node.js` `Firebase` `Responsive Design`

AI & Analytics: `Python` `OpenCV` `TensorFlow` `Scikit-learn` `Pandas` `NumPy` `SQL` `Power BI` `Excel`

PROJECTS

Google Meet Clone   *Socket.IO, WebRTC, Node.js*

- Developed a real-time video conferencing platform with room-based routing and peer-to-peer streaming.
- Integrated screen sharing, mute/unmute, and chat functionality with custom UI.

Face Recognition Attendance System   *Python, OpenCV*

- Implemented live face detection and recognition for automated attendance logging.
- Used Haar cascades and the 'face$_r$ecognition'library; recordedentriestoExcelviaOpenPyXL.

E-Commerce Web App   *Next.js, Firebase, CSS*

- Created a responsive frontend with product listing, user authentication, and payment flow.
- Used Firestore for dynamic data handling and Firebase Auth for secure logins.

EXPERIENCE

Web Development Intern   *SKIT College, Jaipur   Aug 2024 – Present*

- Contributed to internal web portals with custom UI/UX tailored to faculty and students.
- Designed wireframes and prototypes in Figma, and implemented responsive layouts in HTML/CSS/JS.

Sales Intern   *Stafkind   Oct 2024*

- Conducted lead generation and helped optimize customer engagement for B2B campaigns.

EDUCATION

B.Tech in Computer Science, SKIT College, Jaipur   *2023 – 2027*
CGPA: 8.95
12th Class – 84.6%, Vrindavan Public School, Ajmer
10th Class – 90.4%, St. Stephens Sr. Sec. School, Ajmer

CERTIFICATIONS & ACHIEVEMENTS

- Adobe Premiere Pro CC Certified
- Core Team Member – PRAVAH-2024 Cultural Fest
- Hosted: Environmental Pollution Conference, Clash of Bands
- Participated in 3D Printing Workshop
- Volunteered for Innovation, Design and Entrepreneurship Cell
